## Hello Everyone! It's Me, Mayor Max!

I had a strong hankering to be with you tonight, so I am flying over spiritually and hovering around. I thought I could beam you up out of the house, and we could go flying to the top ten Dairy Queens on the planet.

On our trip, we get to ride on a very comfy and cozy magic carpet with very cushy seats. We can hover through the drive-throughs at each of the Dairy Queens, and the desserts and food at each Dairy Queen are equally delicious at every location. I am liking vanilla ice cream with lots of strawberry topping. A few hundred of these sound like fun. Oh, and I have to bring back some hot fudge for Phyllis. That is her to-go order request. Also, we never gain weight in these hovering magic carpet ride adventures, so you can eat all you want!

Then we decide to go flying around the moon and over to Saturn where we decide to hang out and drive our magic carpet along Saturn's many beautiful space rings. Our magic carpet includes a protective air bubble around us so we can breathe perfectly wherever we go in space.

We decide to bring all of our friends with us so each of them has their own magic carpet protective air bubble transportation unit as well. We follow each other around the universe like a little train. We are in the lead so we make the ride really fun. We decide to play bumper car magic carpet spaceships for a little while, all in a very mild way, but it is very funny.

Everybody is laughing their heads off at the whole thing and enjoying the Dairy Queens and bumper car rides through space immensely.

It sure is fun hovering around and flying around space with you. I love you with all my heart!

Love always,

Mayor Max
